I was raised in a small town in Canada called Cornwall. Modeling has been my passion and ever since I can remember I've been in front of the camera. I started modeling in the import scene since I have a love for cars, so I combined the best of both worlds. I'm so fortunate to do what I love and to travel and meet some amazing people along the way who I now call my friends for life.

My other love is fitness, which is my lifestyle.

Hi! I'm Paris White, a newby in the adult industry. I'm so blessed to be able to travel the world and help others feel good through the lens. I love being outside and one with nature. My hobbies include playing the violin, photography, cinematography and anything outside of course. I hope to create my own website in the future to produce new and unique content like no one has ever seen before. I'm beyond thrilled to be shooting for my first print material!

I'm sassy, with a big personality, definitely an extrovert and exhibitionist. Definitely all that because of my star sign Leo, the fire sign. As John Lennon would say, "there's nowhere you can be that isn't where you're meant to be."

I was born premature and sick. I survived, but was unable to live a "normal" healthy life. In spite of these problems, I decided to live one day at a time on my terms, not letting my illnesses or others dictate my life. I have raised three children on my own and each is amazingly different and living as they want. My motto is SMILE BIG AND SHOW YOUR BEAUTY THROUGH YOUR SCARS.
